

# Annual Conference 2020

## Safeguarding and the Digital Thread

Wednesday 4<sup>th</sup> March 2020, 9.15am – 15.30pm  
The Old Library, Guildhall, Guildhall Yard, London EC2V 7HH

### PROGRAMME

- 8.45 *Registration, Breakfast and networking*
- 09.15 **Welcome & opening remarks**  
**Andrew Carter, Director Community & Children's Services, City of London Corporation**
- 09.25 **Safeguarding & the Digital Thread**  
**Jim Gamble QPM, Independent Child Safeguarding Commissioner, CHSCP** - *Jim will set the scene and place the day in the context of young people's lives in the City and Hackney. He will provide an overview of the learning objectives and what delegates can expect.*
- 10.00 **It Happened to Me**  
**Megan Hinton** - *Megan will share her personal experience, reflecting on what happened, what helped and what didn't and the impact the incident had on her life. She will share her journey from victim to survivor to her current role in educating and empowering other young people.*
- 10.30 **It's About the People – Offenders and Technology**  
**Bill Woodside, Chief Operating Officer, Ineqe Safeguarding Group** - *Using recent case studies, Bill will provide a deep insight into patterns of offending behaviour and key tips about how best to employ professional curiosity, challenge and escalation.*
- 11.15 *Refreshment break/ Networking*
- 11.45 **Social Media 1:1**  
**Hannah Paul, Director of Operations, Ineqe Safeguarding Group** - *Hannah will introduce delegates to the range of Apps and social media sites used by children and young people. She will highlight how many are used to generate digital collateral and used by others to coercively control their victims.*
- 12.30 *Lunch/ Networking*
- 13.30 **Youth Produced Imagery & Workshop**  
**Roseanne Long, Head of Learning, Development & Research, Ineqe Safeguarding Group** - *This specialist workshop will consider the offline issues that influence young people's thinking and their behaviour. Using case studies, Roseanna will help delegates consider the context within the online environment that aggravates potential harms and will help delegates work through credible scenarios to identify key issues and practical pathways to access support.*
- 15.25 **Plenary & closing remarks**  
**Jim Gamble QPM, Independent Child Safeguarding Commissioner, CHSCP**
